Without this information we are unable to calculate the premium for your insurance which is relevant to your needs.

We regularly assess the way our automated underwriting tool works to ensure we continue to offer a fair assessment. This assessment is based on the plans you select and on the personal and medical information you provide to us on this application.

Permission to automate the underwriting decision

This is performed in accordance with GDPR guidelines on the processing of data using an automated underwriting tool.

Once the automated underwriting decision has been made, you have the right to request that we reconsider our decision which will involve a review by our medical underwriting team. If you wish to invoke this right please contact us at underwriting@e.allianz.com
